2. Reports

a)Chairman's Report

Kevin reported as follows:

My report is brief, as we have guests from Motorsport UK for our regular meeting, but it is positive one. It has been a very good year for both the Heart of England Rally Championship and the Car Trials Championship and many thanks to Matt Walk and Mark Hoppe respectively, for their hard work in making a success of both series

I would like to thank all the Committee members for their help and support throughout the year, but especially John Arnold who has been our Secretary for very many years and is stepping down after this AGM. He is handing-over the Secretary role to David Simons, but will continue to support the handover during the year.

The Training provided by John Jones and Ian Jarrett continues to be the envy of other Associations; they have a very good reputation for delivering some of the best training in the country.

Finally, a thought for Bob Molloy and Mike Sones, sadly lost to us during the year.

b)Secretary's Report

John confirmed his stepping down and handover to David. He added his thanks to the Training team and reported that the membership of the Association is very healthy, with over 80 member clubs.
